Why Most Onboarding Fails (And How We Fix It)

BROKEN & FRUSTRATING

The Old Way

- ✗ Laptops, emails, and logins arrive days late
- ✗ Managers forget to hold weekly 1-on-1 check-ins
- ✗ New hires feel lost, confused, and unsupported
- ✗ Good people quit within their first 3 months

ORGANIZED & SUPPORTED

Our Way

- ✓ Everything set up and ready before Day 1
- ✓ A dedicated friendly buddy from your first week
- ✓ Clear 30, 60, and 90-day goals with your manager
- ✓ Continuous support so nobody gets left behind

The 4 Keys to Helping New Hires Succeed

01

Clear Goals

Day 30

“I know exactly what my job is and what success looks like.”

02

Doing the Work

Day 60

“I can do my daily tasks on my own with confidence.”

03

Feeling Welcome

Day 45

“I have a helpful buddy, great teammates, and feel at home.”

04

Big Picture

Day 90

“I understand our company's mission and where we are heading.”

Clear Roles & Built-In Quality Checks

Who Does What

-  **HR Team**
Prepares paperwork and welcomes the new hire.
-  **Manager**
Sets clear goals and gives regular feedback.
-  **IT Team**
Delivers laptops and logins on time.
-  **Peer Buddy**
Shows you around and introduces you to teammates.

Quality Checks (No Surprises)

-  **Fast Help**
If a laptop is delayed, the system alerts managers right away.
-  **Data Privacy**
Personal employee information is strictly locked and safe.
-  **14 System Tests**
Checked every step to make sure the process runs smoothly.
